Dedication

To Mrs. Ara Purcell, admired and loved by all for her efforts and cooperation with the students, the staff with sincere gratitude offer the 1949 El Tornado as a token of our appreciation.

foreword

Memory went gleaning the school days of 1948-'49 and here's our book—the school, the students, the administration, and the activities of Lamesa High. We hope that you like it and that you will find in this yearbook a permanent reminder of all the joys and sorrows that we have shared in dear old Lamesa High.

Superintendent's Message

The Lamesa Public Schools stand at the cross-roads. There are paths going forward and paths going back. We face the future outlined and illuminated by what has gone before.

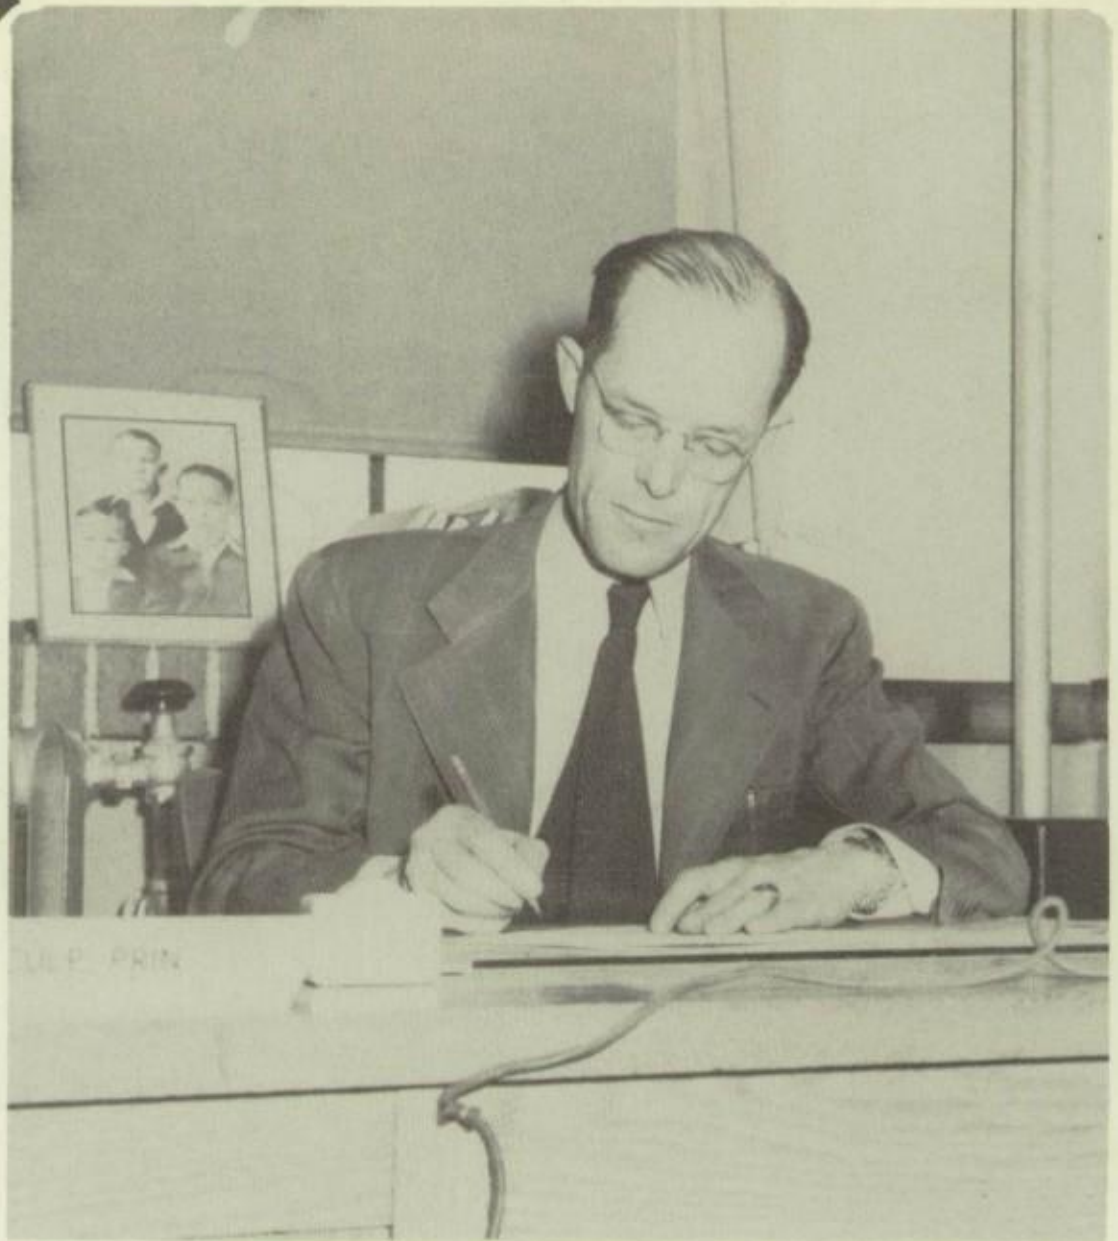

We look back with appreciation to those who have worked so tirelessly to build the firm foundation upon which our schools now stand; we look forward to a new day, new horizons, and new opportunities for Lamesa's youth of tomorrow.

With steadfast faith in the support of our students, our patrons, and our friends, we shall go forward.

Very Sincerely yours

C. B. Wadzeck

Principal's Greeting

I take this occasion to greet you and, at the same time, express the hope that Lamesa High School may challenge each of you to your highest, your noblest, and your best.

As we face the future, my desire is that you will be a worthy representative of the great American "people's university."

Yours sincerely,

Ray Balpa
